Letter no. P. 827 dated 16.9.1940 from the Supdt. Govt printing ^{forwarding the resolution of the press committee} regarding the supply of stationery to Executive Officers and Officials.

1 In Govt. letter dated 10th April 1940 (vide P.H.S. A) it was ordered that the general question of supplying stationery articles to the Executive Staffs of all departments ~~might~~ be deferred for the present ^{by the Supdt. Govt. printing}.

2 The question has been ^{again} placed before the Press Committee held on 25.7.1940, and the Committee have resolved that Govt. be requested ~~again~~ to reconsider the subject of supplying stationery to Executive Officers & Officials at ~~the~~ reduced scale viz. 50% of the existing scale of supplies to other officers, as recommended previously. (vide P.H.S. B) and the same be ordered to be included in the state standing list of the departments, the additional grant required for this purpose being provided in the stationery budget.

3 The Committee have further opined that the quality of the stationery articles, i.e. ink, pencils, etc., may be improved as the cheaper variety now supplied proves costlier in the long run. It is also stated that the question of the improvements to be effected in the quality of the stationery has been referred to the Supdt. of Stationery for taking necessary action.

4 Sub^d for orders with previous references.

By ^{15.10.40.} 5 No proposals have yet been recd from the Supdt. of Stationery re improvements to the quality of stationery. As regards supply to executive officers of all Dept^s, the Supdt. states in his

The general qn of supplying Stationery articles to the executive staffs of all Dep^{ts} was ex^d last year, & finally, it was ordered to be deferred for the present: (Vide H D dated 10-4-40)

This qn has again been raised by the Press Com^{ee}. It is suggested that by the Com^{ee} that the subject may be reconsidered, & stationery supplied to all the executive officers & officials, at a reduced scale (of 50% of the previous supply), & that add^l grants for the purpose may be provided in the St^y Budget. The cost involved in the proposal is reported to come to Rs 7000/- p.a. as per prevailing rates.

The prices of St^y are going up & there is also the difficulty in getting supplies. In the no representations urging for the supply seem to have been rec^d from the Heads of Dep^{ts} in the matter. Anyway, there is no mention of any such representations, ~~in the~~ for reconⁿ of the general qn. Individual cases, if any, may be considered, & when they come up.
